

# Stewardship Survey

## Sharing His Gifts: Time and Talent

Please complete the following survey and return it to the church office by June 15, 2009. If you are filling it out as a couple, please put your initials on each line that you mark so we can know who desires to serve in a certain ministry. Mark each ministry in which you are presently serving in the first column and mark the ministry in which you wish to serve in the second column. Thank you for sharing God's gifts to serve His ministries.
